**HELP SHAPE THE FUTURE OF OUR COUNTRY.
JOIN A VIBRANT COMMUNITY OF WOMEN LEADERS.
PROTECT OUR FREEDOM FOR FUTURE GENERATIONS.**

Ladies, there has never been a more exciting—or pivotal—moment to be an ambassador of the NRA than right now!

With more women hunting, shooting and learning to use firearms for personal protection than ever before, women are setting the stage for an extraordinary future for our precious Second Amendment freedoms.

The NRA Women's Leadership Forum unites influential women leaders who share a desire to create a strong future through philanthropy and advocacy—and have a great deal of fun in the process.

In fact, the NRA Women's Leadership Forum Luncheon & Auction has grown to become one of the NRA's most anticipated events of the year, bringing together women from all backgrounds and from all parts of the United States for an exciting opportunity to:

- **Unite** with other inspiring women who share the same values
- Make a direct and immediate **impact** on the future of our great nation
- **Celebrate** and preserve our precious Second Amendment freedoms

Our gathering in Indianapolis, Indiana in April 2019 drew hundreds of women from across the nation for an afternoon of networking and socializing; bidding on one-of-a-kind jewelry, hunts, firearms, trips and more in exciting live, silent and super silent auctions; hearing from NRA leaders and much more.
